This trip offers you the chance to experience the might & majesty of a marlin or the opportunity to test your skills against a mahi mahi, tuna, wahoo or a wide range of other local fish attracted to your lures. This trip caters for everyone from the novice right up to the serious game fisherman. So...even if you've never experienced the excitement of game fishing before, seize the moment, grab the rod (yours or ours!) & join us on this fishing expedition.

The grounds which yield the best catches are submerged seamounts which rise from depths as great as 600 metres up to about 24 metres beneath the surface. One of the most successful fishing sites is about 16 kilometres (8 nautical miles) south east from Luganville, the main town of Espiritu Santo. You can expect Marlin, Sailfish, Wahoo, Mahi Mahi, Dogtooth Tuna and large Yellowfin Tuna.
